Re: Dana Point Condominiums Proposal - Revised **Any Wing Roof Top Unit Replacement**

Per your request, we are pleased to present the following proposal for work to be performed at Dana Point Condominiums. We will provide the labor and materials for the following scope of work:

Wing Roof Top Unit Replacement

- Remove the existing roof top unit and replace with one new Carrier, 3 ton, Model #50TC-A04A2A3-0A0A0 cooling only roof top unit with 1 stage cooling and 13 SEER.
- Warranties Included:
 - ❖ five year manufacturer's parts warranty on the compressor; and
 - ❖ one year manufacturer's parts warranty on the entire unit.
- Install two new roof rails;
- Start up and check for proper operation when complete.

We will provide the above services for the total sum of \$7,499.00 per unit, if performed as one roof top unit replacement at a time.

We can provide you with a discount if two units are replaced at the same time because we can save on crane costs, labor, and equipment delivery costs. If two units are replaced at the same time, the price per unit is \$6,709.00. Therefore, if two units are replaced at the same time, you would be saving \$1,580.00.

Note: This proposal may be withdrawn by us if not accepted within thirty (30) days.

Acceptance Signature: A. S. - Date: 6/11/13
