Sorry to keep bothering you but also this unit continually parks their cars on the blacktop extended periods of time. tonite a silver hyundai sonata licence plate FRVER 21 was parked there from 4:30 to 5:30 when the three of them then left.

Also for Managements knowledge my neighbor Rochelle has tried to get the neighbors to sign a petition to have me asked to move. No neighbors would do it. She has a personal problem with me and every spring she starts with the complaints. It has been 7 years! It makes me sick.

Also when I was walking my chihuahua tonite we saw 3 cats roaming and a squirrel with a hot dog in his mouth! This was the building across from me.

Thank You for listening. I am sorry you have to listen to this.
