RE: Fire Alarm Equipment Summary Letter

To Whom It May Concern,

Walter Alarm Services, Inc. maintains the Fire Alarm Equipment throughout the Dana Point Condominium Association. Each building has a Silent Knight 5820 Fire Alarm Control Panel that monitors approximately (7) Manual Pull Stations on the first floors, (6) Manual Pull Stations on each of the second, third, and fourth floors, (29) Photo Smoke Detectors on the first floors, (26) Photo Smoke Detectors on each of the second, third, and fourth floors, (5) Photo Smoke Detectors in the Basements, (18) Horn/Strobes (visual/audible devices) on the first floors, (14) Horn/Strobes on each of the second, third, and fourth floors, (12) Horn/Strobes in the Basements, and a Remote Annunciator for each building.

If you have any questions about this system, please do not hesitate in contacting us.

Sincerely,

Martin Walter
President
