RE: THE DANA POINT CONDOMINIUM
ASSOCIATION

Dear Lucyna Kmiec:

Your request to remove and replace the patio bushes has been received by the Board of Directors. After review and considerable deliberation, the Board felt it necessary to decline your request as these are association maintained bushes. The landscaper will be inspecting these bushes from your patio side as soon as possible to see what can be done to improve the view. If the landscaper recommends their removal and replacement, the Board will consider this matter as an association expense. The Board's decision is final, pursuant to the governing documents for the Association.

Sincerely,

LIEBERMAN MANAGEMENT SERVICES INC. as
Agent
