Subject: RE: Membrane color selection

Hi Margaret

The light grey would be the best color choice. Thank you and have a great weekend....

Subject: Membrane color selection

Hello, Janice.

Please find the attached submittal for the Sonoguard Membrane. There are three color options. We recommend the light Gray color. It is inconspicuous and the dirt will not show so much on it. Please let us know which color the Association would like to be installed.

Thank you,

Maggie
