That's the problem with this country, nobody can think for themselves & do what right. Your management & whomever complained really screwed us good. Hope they are satisfied too. It's already done.

Lieberman Management is terrible & handled this soo poorly. Again It's wrong to take one condo owners word over the others unless you have indisputable proof (Which you don't)

I'm glad we are leaving. I can't bear to be railroaded again. It's obvious Lieberman is not interested in doing what right & protecting there pet owner's from discrimination.

Just forget it, I'll just send in FREE money for your company to do as they please with. I hope the \$250.00 was worth pissing off a solid renter. We live in an online world where reviews are very important to the success of most all businesses. Dana Point will be HIGHLY "NOT RECOMMENDED", horrifying experience, can't wait to move. But being the way this situation went down I couldn't imagine the association even cares.

Thanks Enjoy the \$250.00

Good Afternoon,

That request would need to be put into writing with a stated purpose for the Board's approval per the Illinois Condo Act. The Board would then have 30 days to respond to your request.

Sincerely,

To prepare my case I would like to know who my accused is.

Making me pay for something I didn't do based on someone else's word is unfair. Lieberman is basically stating they are choosing to believe another tenant over us, which is unjust.
