Lisette,

I am not paying any portion of either of these fines. For the first Violation 1) I am not feeding in COMMON AREAS. This area is Mt. Prospect. 2) There are other people feeding the feral s as well. Based on my legal rights stated above I ask that you remove that charge.

For the second violation 2) There is NO ODOR coming from under my door nor has there ever been. This is a direct attack by Rochelle Norwell and Angie Simic. I will not pay this fine. Also the room spray smells lovely especially with all the various cooking odors and it is allowed.

Finally I ask that Lieberman Management provide me with someone in a supervisory position who can review this ongoing issue with me and provide me with the information I need to protect my legal rights above and beyond THE CONTROL OF THE BOARD. Also provide me with your lawyers information so that I may provide a copy of this. I have been harassed from day 1 because of Rochelle Norwell. So please provide me with Lieberman

KSN

Managements supervisors info and the lawyers contact. I have dealt before with Would it still be them? Please advise I am fully ready for legal action on behalf of Dana Point. This has to stop. This has caused me tremendous stress and illness and needs to stop. Rochelle should move if she is so unhappy. She rents.
