RE: THE DANA POINT CONDOMINIUM  
ASSOCIATION

Dear Genie S Uli:

The Board of Directors reviewed your request at the last Board meeting concerning the waiver of fees on your account ledger. After review and considerable deliberation, the Board determined that a credit of \$183.32 will be applied to your account for the waiver of miscellaneous fees on our account.

However, the Board has declined your request to remove the \$150.00 fee for the dry wall repair to the common elements. The Board's decision is final, pursuant to the governing documents for the Association.

Sincerely,

LIEBERMAN MANAGEMENT SERVICES INC. as  
Agent
