Dear Virginia Smith:

This letter is to inform you that we are cancelling your direct debit for your monthly assessment payments. This is due to the ongoing returned automatic withdrawals from the bank and the fees that are incurred, both by you and the association. In the future, please send in a check or money order for your assessment payments. If you have any questions, please contact your manager, Janice Costa, at 847-228-5176.

Sincerely,
