Re: Operator Replacement - A-Wing Door

Subsequent to our recent service visit, we propose the following repairs:

Furnish and install: One (1) J5023L4 Commercial-duty jack-shaft-type electric operator; 1/2 hp motor, 230 volt 3-phase, 24 VAC control circuitry, manual disconnect draw-bar arm assembly, auxiliary trolley rail modification, roller chain idler, carriage assembly, NEMA-4 photo-electric reversing kit and three-position wall control station. Reconnect to existing supply and control wiring.

Remove and dispose of existing.

Labor, materials, tax and freight included.

NOTE: This proposal does not include charges for temporary repairs performed on 6/4/13.

Unless specifically listed above; mounting jambs, masonry work, glass and all electrical conduits including wiring, is to be by others.

Past Due Accounts Will Be Charged 1-1/2%, (18% Annually) Per Month On Unpaid Balances.

Amount Due:
\$ 2,395.00

Performance will be made by seller in a prompt manner, but cannot be responsible for damage or delay due to Acts of God, accidents, civil disturbances, delays in transportation by common carrier, fires, strikes, war or other causes beyond seller's reasonable control. To accept the above listed Proposal & Contract; please sign and return to the seller's office within 30 days. The terms and conditions printed on the back hereof are hereby expressly made a part of this contract.
