Mr. Slowikowski,

Ms Costa and the association had been notified of the required access and she ignored it. My attorney's name is Ira Silverstein and I had spoken to him regarding this issue, Ms kelly Duddy had her plumbing issue repaired without the presence of Juan or Sam, I had to notify Ms Costa that there had been vandalism regarding the hole and the other issue is that we were present during the repair of the slip gasket and what Ms Costa is telling you is fabrication on her part, in fact retaliation. Please be advised that I would appreciate if you would deal with my attorney and not accuse us of something that is not true.

PS I had received a nice letter from 201A James Ashbey and his damage is not what Ms Costa alleges.

I also had informed Ms Costa that a licensed plumber is to inspect the pipes upstairs in 401A in order to validate that Juan had repaired the plumbing issue to which she has not replied.

Sincerely,

Genie S Uli
