Hi Lisette,

My name is Paul Bures and I'm the Street & Building Superintendent of Mount Prospect who is responsible for maintaining the property at 1818 Bonita. At no time did anyone ever call me or ask permission to keep or feed cats on our property nor would I have OK'd that request.

The first notice I received of the cat problem was from you health inspector Sean Ferris in early May and we immediately cleaned up the food waste containers thrown into our property and removed the supposed cat motel someone built from pallets. Since then I have monitored the feeding coming from the Dana Point side of the property, spoke with one of your residents who verified the feeding twice a day and have only seen one cat during the day light hours.

Tomorrow we have scheduled to remove all of the pallets currently stored there which we use for flood fighting.

If you would like to speak further on this matter I can be reached at 847.870.5640, ext.8831.

Paul Bures

Subject: Animal Control Warden

Good Afternoon,

I would like to get in touch with an animal control warden for Mt. Prospect. We have a resident who is claiming to have the approval from the Village of Mt. Prospect to run a feral cat colony on Mt. Prospect land in a Public Works lot that borders

Arlington Heights and Dana Point Condominiums. I am the Property Manager and would like to validate the information being provided regarding this matter. I would appreciate your reply.

Sincerely,

Lisette Ray, CMCA
